

Who we are

“Vsourcify” is a renowned International Sourcing, Procurement, and Supply Chain firm headquartered in Dubai, UAE. With supporting offices strategically positioned in China, Kuwait, Qatar, Oman, and India, we have solidified our presence across key global markets.

Since its establishment in 2014, Vsourcify has emerged as a trusted one-stop solution provider for all material and equipment supply needs.

Our Expertise:

We specialize in intricate procurement, supply chain management, and logistics processes with expertise spanning various industry sectors, including O&G EPC Projects, Civil Engineering, Construction projects, Building supplies, Healthcare & Beauty, Apparel & Fashion Industry, and Furniture & Lightings. Our clientele includes individuals, traders, stockists, retailers, and contractors, all benefiting from our comprehensive services.

Global Partnerships:

At Vsourcify, we boast an extensive professional network worldwide, nurturing robust relationships with leading global and regional companies as our supply and logistics partners. Additionally, we periodically access attractive surplus inventory stocks of quality equipment and products worldwide at clearance rates, adding exceptional value to our clients' procurement needs.

Our commitment:

Our commitment to delivering successful projects, upholding sustainable and ethical business practices, and our keen understanding of our customers' needs have consistently contributed to enhancing our customers' business performances. These precise results align with our core objectives and values.

About Vsourcify

We specialize in sourcing and providing wide range of products and parts, aiding customers in managing numerous Request for Purchase and performance specification demands for their projects or supply chain needs.

Our capabilities extend to sourcing, procurement, consolidation, documentation, and arranging transportation to destinations worldwide. By entrusting their procurement operations to Vsourcify, our clients optimize their efficiency, allowing them to focus on their core business activities.

As a professional sourcing company, we offer competitive pricing and prompt deliveries on a wide range of commercial and industrial products.
